

Transition Planning, Logistics Oversight, Move Management and Installation Services

Christus Health Highland/Shumpert, Shreveport, LA
2013-2016

A faith-based, not-for-profit health system, Christus Health Shreveport-Bossier is part of Christus Health, sponsored by the Sisters of Charity of the Incarnate Word. Christus is among the 10 largest Catholic health systems in the country and one of the 20 largest of all health systems in the nation. Christus Health Shreveport Bossier has provided health care in Northwest Louisiana for over 100 years.

The West Wing is home to the CHRISTUS Cancer Treatment Center (first floor), hospital pharmacy (first floor), The Birth Place/Neonatal Intensive Care Unit (second floor), Acute Comprehensive Inpatient Rehab (third floor), and other office and conference space. The new Cancer Treatment Center features a new state-of-the-art linear accelerator, an open concept infusion area, additional private rooms, and a private entrance for patients. Earlier enhancements to the Highland campus included in the \$60 million project included refurbishing existing patient rooms, reconfiguration of clinical space and addition of physicians' offices as well as enhancements to the entrances and public areas. The final phase of this investment will include a new hospital lobby, legacy rooms, renovations to the critical care unit, progressive care unit (PCU), dialysis and additional day surgery space.
